Some of our high achievers include:

Stephanie Gable – 7A*, 6A.
Isaac Hayes – 7A*, 4A, 2B.
Chloe Stacey – 6A*, 6A, 1B.
Rhian Lewis – 5A*, 6A, 2B.

The school is very pleased that many of its pupils with Additional Learning Needs as well as those pupils who sat these examinations under very challenging circumstances, also achieved good results.

Trystan Edwards, Headteacher of Ysgol Gyfun Garth Olwg said:

"I send my warmest congratulations to our Year 11 pupils on their results. They have worked very hard, and their success is testament to the hard work of the Staff at Garth Olwg, and the continuous support from our parents and guardians. We have succeeded in providing our pupils with the bilingual skills they need for the future during a very challenging period in which there has been so many changes to the KS4 programme of study in Wales. I look forward to welcoming many of them back into the Sixth Form and I am delighted that we're able to offer them such a rich and varied curriculum for the next step in their learning pathway."

Ends.
