**Examination / Assessment Period** – Pupils to follow the timetable with the usual room and teacher unless noted otherwise

Denotes **revision under supervision** with the teacher the year group in that lesson period.  
(Departments are asked to prepare revision sheets / tasks to be used by the pupils during these periods)

**Op D** gives pupils the opportunity to sit the examination / assessment task / introductory task in a subject that they have shown an interest in but has not chosen (in case of a change of mind in September)

#### **IMPORTANT NOTE**

- All examinations / assessments to be 45 minutes in length
- Please remember Mathematics equipment for the Mathematics & Science examinations.
- Remember to bring your revision materials for the preparation sessions noted in yellow.
- The ICT practical examination will be held during ICT lessons following the above period.
